**ARTICULATION AGREEMENT**

This Articulation Agreement is entered into by and between Prince George's subsidiaries and related corporations (hereinafter referred to as the "School") and Chamberlain University (hereinafter referred to as the "Institution") and shall become effective as of the date of the last signature (effective date). This agreement enables School's graduates, employees or faculty who enroll in Chamberlain College of Nursing's online programs or Chamberlain College of Health Professions online programs to receive a waiver of the application fee normally required by Chamberlain University and incorporates all current and future programs offered by Chamberlain University in Maryland. In addition, Chamberlain has the ability to offer customized group start options that are designed to encourage Institution's employees to advance their degree.

Transfer Agreement

This articulation is made explicitly subject to the terms of Chamberlain's admission requirements, academic policies, and program requirements, including but not limited to the Chamberlain academic catalog and student handbook (all of the foregoing collectively referred to herein as the "Chamberlain Policies"). Transfer of courses are considered on an individual basis. Chamberlain may require a catalog, syllabus or additional material. Official transcripts from previously attended institutions are required and the course(s) must be comparable in level and content to the course for which the student is awarded credit.
